Zimmerman's Tournament

The tournament is filling up, we hope to have 4-6 teams for each age group.
Tournament rules, Terry will check on the computer. We play by major league rules not high school rules.
Need to stagger games 1/2hr or so apart, this will give time to prep the fields for the next game.
Need a couple of 4-wheelers to drag fields, Terry will have one, and maybe John.

Umpires, we are good. Need to get with Heidi regarding their W2's. We have some of the same umpires from last year but everyone should have a new W2 filled out.

Concessions, need a couple of volunteers. Paulie will do most of the concessions. Most likely will go with pizza, then no one has to worry about keeping the meat cold for grilling and no condiments would be needed either.
Terry and LeAnne will get some ice and check with the liquor store also, they donated a lot of ice for last years tournament.

Terry and LeAnne will look into picking up gatorade, candy bars, big league chew and donuts. Jopp is getting the pop, \$3.00 a case. We will keep the pricing of everything easy so it will be easier for the volunteers to make change.
Pop and Gatorade \$2.00 a bottle.

Port a Potties, are there enough?

1 at Fred Shultz, 1 at Randy Johnson, 1 at ZE#1, probably need 1 at High School and hope to get the city one.

Baseballs, how many?

We will supply each team with 2 baseballs and each team should supply 1 of their own. Most tournaments require each team to supply 1 or 2 of their own, we will only require 1.

Trophies-trophies have been decided upon and Bill will order.

T-Ball will play at the Westwood field on Sat. during the tournament.

Tom C.-maybe Tom can put directions on field maps on our web-site and we can direct people to the web-site for directions.

Also, have Tom post on web-site the tournament info. by Thursday.
